Dear CJ Holley:

Congratulations. Lucas County Information Services is now listed as an A+ Authorized Service Center on the CompTIA Web site. The AASC ID for Lucas County Information Services is [REDACTED]

Enclosed in this packet is one AASC window decal and information about other CompTIA services designed to bring success to your business and to your future in the IT industry.

As an A+ Authorized Service Center you can also download the A+ ASC logo by visiting www.comptia.org/sections/asc/default.asp and clicking the 'Download Logo' navigation option located on the left side of the page. You will need the AASC ID above to access the logo.

We will keep you informed on the program updates and always welcome member input on our programs. Thank you and welcome to becoming a CompTIA Authorized Service Center.

Sincerely,

Michael Dellutri
Services Coordinator
